

Terri Elizabeth Holloway

May 12, 1958 - March 3, 2026

Terri E. Holloway, age 67, of Ocala, Florida, passed away unexpectedly on March 3rd, 2026. Born as part of a twin set on May 12, 1958, to Jesse James Holloway and Betty Jean Williams in Mobile, Alabama, she was raised in Ocala, Florida, where she embraced life to the fullest.

As a medical assistant, Terri was the welcoming face of her clinic, creating a warm and supportive environment for patients with kindness and humor. She was known for her quick wit and unforgettable sense of humor, which she used to brighten the days of her coworkers and friends. Whether it was blowing loud party favors, strategically placing whoopie cushions, offering Monster energy drinks in sterile urine cups, or sharing cookies and candy, Terri brought joy and laughter to those around her.

Not a biological mother, but a mother in every way that mattered to Tiffany. Terri provided a constant, safe place, and greatest example of strength and compassion. She shaped her with a steady presence, unwavering support, and wisdom for the ages.

As a sister, she enjoyed cruising through the Caribbean, attending horse racing events, and vacationing in Virginia and the Carolinas. As a daughter, she shared special moments attending Nutcracker productions and lovingly cared for her mother during her illness. As an aunt, she created cherished

memories playing in the waves at the beach, going on camping trips, and visiting Disney. As a friend, Terri was always ready to help, offering honest advice, and encouragement.

Preceded in death by her parents, Jesse James and Betty Jean, Terri is survived by her siblings Laura Ann, Todd (Wendy), Lisa, and Robin (David); her three nieces Ashley, Tiffany (TJ), and Hillary; her nephew Chris (Lisa); and seven great-nieces and nephews. In lieu of flowers, please consider donating to your local animal shelter in honor of Terri's love for animals and her compassionate spirit.

To know her was to love her, and time with her was always too short. Her legacy will live on in all of us who were blessed to be loved by her, and in countless ways she will continue to shape our lives.
