“ Aunt Bumbie, as I knew her. I grew up with her son Johnny. She was a great lady, and made the best pickles in Marion County. Johnny I am so sorry for your lost. Just take confort in knowing she has gone to a much better place.

“ Aunt Bonnie, we will miss you very much. You brought sunshine wherever you went with your endless cheerfulness and never ending source of energy! We will always remember your kindness and genuine hospitality. It was impossible to be near you for even a minute without smiling as you always had a kind word for everyone and were always one to enjoy a good laugh. I will never forget our "girls nights" at Granny's, watching Elvis movies and having late night snacks, or those GREAT Halloween parties, of course we can't forget the boiled peanuts! There are so many things to say, but for now, I will just say, thank you for all of the wonderful memories. I will miss you Aunt Bonnie. Love, Tari
