

## Thelma Jean Underwood

May 23, 1932 - June 4, 2021

Thelma Jean Underwood, 89 of Ocala Florida was received in Heaven on June 4, 2021.

Born in Altoona Pennsylvania to Jay and Flora Briggs, were she lived her childhood life with her sister June. After marriage to Harold Kline she moved to Hollywood Florida where her three children were born and raised. She worked for the A&P food company for many years as a head cashier; from there she went to work as a receptionist for Paoli and Paoli law firm.

She then moved to Ocala Florida with her husband Richard Underwood in 1986 where they built their home together. While in Ocala she first worked at the Kash n' Karry food stores arranging flowers in the floral department, from there she was a bookkeeper for the Acapella water company, and then she went to Sparr Building and Farm Supply Company.

Her greatest joys in life were being in the company of her family, eating out at Restaurants, traveling, relaxing with her cat Lucky, and going to the beauty shop to have her hair done.

Our Hearts are forever broken as Mom was the sweetest most generous and kind person the world has even known.

God saw you getting tired  
And a cure was not to be  
So he put His arms around you  
And whispered, "Come to me."  
With tearful eyes we watched you  
As you slowly slipped away  
And though we loved you dearly  
We couldn't make you stay  
Your golden heart stopped beating  
Your tired hands put to rest  
God broke our hearts to prove to us  
He only takes the best.

“ Thank you Jean for all the cherished memories from my childhood and throughout the years. Thank you for always making me feel like a part of your family and including me in your daily lives. Thank you for my very first trip to Disney World when it first opened we had so much fun, it was a blast! Thank you for the ride along trips to A&P, Kmart and Grand-Way where you bought me some pierced earrings after your sister June had pierced my ears. I remember when Susie got her Buick Skylark...loved that car! I remember once you took us up to the West Hollywood shopping plaza and let Susie practice driving and it had these huge concrete curbs and when Susie made a turn the back wheel went up over the curb and the car bounced down and you let out that wonderful laugh of yours and all was well! You were a genuinely loving kind and sweet person with a beautiful smile and a big heart! I love you and you left me and all those that were near and dear to you with so many fond memories. Heaven has gained a beautiful angel.

Dear Susie, Tammy, Chris and family, I'm so heartbroken for your loss, your mom and grandma was one of kind and loved by so many and I pray that all her love and memories help to comfort you and brings a smile to your face when you think of her because she will always be smiling down on you. Love you all and keeping you in my thoughts and prayers.
