“ You were in my life such a short time. You were my coworker and then my friend. You were such a sweet, innocent young girl, both of us young and newly married. Ive thought of you often through the years and hoped you had a happy life. May God bless and keep you and comfort those who loved you.

“ I will miss you always and forever. You brought so much joy and excitement to me and others. You were one of my favorite people and you knew it. Drink a Pepsi for me up there. That was our favorite drink.
