“ Oh my dearest Tommy where do I begin, I'm in shock and at a loss, the dogs are a comfort to me, I can't believe you're gone, my heart aches for your presence, thank you for loving me, the flowers, meals you cooked trying new recipes (you were an amazing cook) and more. We had a lot of good times, I didn't know if you were serious when you off the cuff asked me to marry you since you joked around so much although it wasn't the first time you'd asked. Love you honey n miss you

“ I had the pleasure of working with Tom for the past 5 years. He was very well respected and an asset to our company. His dedication to his job and his tell-it-like-it-is demeanor is a rarity in today's world. On a personal level, Tom was one of the funniest men I have ever known. His little sayings like "you're off the deal" and his nicknames for people were always good for a laugh. He had the driest sense of humor and I will truly miss him. He was a good friend. My heart hurts at losing him. My heartfelt condolences and support goes out to his sisters, his children and Helen. May you all find solace in your grief. Sincerely, Richelle Heath

“ So sorry to learn of Tommy's passing. Never got to know this cousin personally as the family moved to Florida when he was still a youngster. But I know how well he was loved by sharing with his mom and dad when they came back home to Tennessee. A co-worker mentioned his sense of humor and I know he Inherited that from his dad, along with his physical appearance. I figure Tommy and Peggy have had him locked in a "bear hug" since last Wednesday. Pray the family will feel the sweet presence of God's spirit in the coming days.

“ Tom was to young to leave us at this time in his life. He was a good **BROTHER-IN-LAW** and I enjoyed the brief time I had spent getting to know him over the years. His humor and many of his actions were very similar to that of his father,. Tommy will be sorely miss by me and his sisters

“ *My brother and friend. Sadness and Sorrow is what I feel loosing you. I will miss your smile, your humor we shared and most of all your advise. "A Day of Sorrow is longer that a month of Joy" but it will be the joy and memories I will feel for you. I was blessed and thankful to have a brother and that is what I want to remember. So your candle lights others and consumes itself*

“ To all of those who read this and knew Tom he was a very smart and talented man. In the short time of a year and a half that I have gotten to know him he taught me many things about my career and personal things in life. My condolences go out to the family and friends who knew him best. We all lost a great person in our lives and he will be missed. May Tom rest in peace and everyone who is greaving over his passing find peace as well.
