

Thomas Torino

November 6, 1965 - September 3, 2021

Thomas James Torino, 55 of Ocala, Florida, passed away on September 9, 2021 at West Marion Hospital.

Thomas was born in Massapequa, New York to Alphonse and Lydia Torino on November 6, 1965. He was a quality tech for Custom Window Systems. He loved the New York Yankees, Pittsburgh Steelers, playing and coloring with his grandchildren. He gave to and helped whoever he could. He loved with all his heart and lit up a room when he smiled. He was an old soul who loved big band music and classic rock. We danced to Frank Sinatra, Dean Martin and Elvis. Although we were only married for eight years, he loved me enough for a lifetime. Our lives were better because he was in it. He's in heaven now with his parents, his sister, Anna, his brothers Peter, John and Alphonse.

Thomas is survived by his loving wife, Michele of Ocala, his daughters, Nicole Wagner, husband, Trey. Julia McGowan, Erika Torino, fiance, Zac Rice, Shawna Mann, husband, Caleb Mann and Destini Torino. Sons, David, Robert, Thomas and Shawn. Many beautiful grandchildren, Malachi, Genesis, Roman, Landon, Legend, Analee, Canaan and Sabastian.

The family would like to thank everyone who sent condolences, prayers, flowers, food, gifts, money, cards, rides and emotional support. A special thank you to Dena Hershberger Schrock of "Dena's Cleaning Service

(352)299-1811" for going above and beyond for us on such short notice. God really shines a light through you. For all above, your kindness knows no bounds.

The good truly do die young. RIP, My Love.
