“ It was such a honor to know Tony. Even though we were only neighbors, he made us feel like we were part of his family. He always came and visited us inbetween his trucking runs and was there to help when Bruce had his back surgery. Thank you Tony, for all your love and kindness and your jolly spirit. You will be remembered and missed.

“ When we heard that Tony passed away, I can't even begin to express the sadness our entire family felt. Tony was such a great, amazing, and kind friend as well as neighbor. He always looked out for us when my husband was on duty and we always looked forward to his visits and conversations we had so often when he wasn't traveling. I can't say enough about how special Tony was and always will be to our family! We send our prayers to all of Tony's family and friends. We lost a very dear and special person whom will be greatly missed but heaven has gained a tremendous angel!
