“ We have never met but I heard about your loss of Tristan from Erin. I can tell you I understand what you are going through as we lost our son at 6 weeks in September. The road will be rough but Tristan is in heaven with our jackson. If you need anything I can try to help but the best I can offer is to offer to try to help you understand how to get through it but I cannot only god can. Please feel free to get my info from Erin if you need to talk with parents who also know the emptiness left in your heart. May god bless your family. This helped us 1 Corinthians 15.
