“*Mr. and Mrs. Murphy, I just found out about Tyler's passing today. I have a lot of great memories of Tyler. I remember meeting him in the 4th grade at Evangel Christian. He was always so happy and one of my best friends growing up..I remember in junior high me and him riding our bikes around the lake and to the tennis club over the summers.. they are some of my best memories. I just wanted to let you know how much your son meant to me. You will always be in my thoughts and prayers.*”

“ Aunt Linda and Uncle Bob, I read somewhere that "Life is eternal and love is immortal". I pray that those beautiful words bring you some comfort. While we are all mourning the loss of Tyler, others are rejoicing to meet him in heaven. We will see him again...and until then Tyler will remain in our memories forever. I love you and am with you in spirit during this hard time.

“ So surprised to hear about Tyler. I'll never forget his friendship with my son Brad. Brad, Tyler, Taylor, Denny, & Kenny, the boys from the church youth group used to stay all night at our house often - wrestling and having a great time. He was always a fine young man! He will be missed. Our prayers go out to the family.

“ Linda,Bob and Family, "While we are mourning at the graveside they are marveling at heaven." Please know that we have and will continue to speak your names before our Father's throne where grace is found and mercy dispensed.
