Uwe was born to Walter & Helga Kufahl On Dec 17th 1960 In the village of Kunzelsau. His untimely passing occurred on November 22nd, 2022.

Uwe was a force of nature, with a smile that could light up a room, a heart that impacted many, and hands that fixed what was broken. Uwe was true to himself and to everyone around him, he expressed what he felt and when he felt it. A true breath of fresh air. He was deeply proud of his three children Manuel, Dylan and Deandra.

Uwe would spend his free time riding motorcycles, tinkering on his latest project, or spending time with the ones he loved. The ones who had the privilege of knowing him, knew that judgement was not apart of his being. He saw light in everyone, and found every opportunity to help those in need.

As a citizen of Germany, Uwe was required to serve 4 years in the German Military, where he found his passion for Mechanics and engineering. After serving his country for 4 years, he went on to become a master mechanic for Audi.

In 1993 Uwe moved to the United States for a job at the port of Wilmington. Where he met Sharon Fowler, who he married in 1995, going on to have 2 children, Dylan Kufahl and Deandra Kufahl. Going into business with his brother in law, Uwe became part owner of east coast poured walls in Milford and was blessed to be able to provide a beautiful life for his wife and children.
