“ *We are so saddened by the loss of our wonderful friend Chuck. He brought so much joy to all who knew him here in Ocala with his great sense of humor and unbelievable wit. He could bring a smile to your face in an instant. We all have wonderful memories to share and he was an example of how to love life and the people you share it with. We have been blessed to know him and his wonderful family. We will keep all of them in our prayers.*

“ it is with great sadness that chuck my brother in law, has left us, he was always willing to help others..his quick wit and sense of humor was a joy to be around, and his love of music was amazing, he also was so proud of his children and loved the grandchildren very much. while his passing is way to early, I know that he is no longer in pain, and has begun his journey in peace.
