“ Dearest Holly & Kim and the whole of the Maxfield family. I was sorry to hear news not only about Vicki but it was also the first I had heard the news of your dad. All you your family were beloved to me as a whole and individually and forever thankful to have known all of you. With so many pleasant memories and so many, many smiles in my youth that both Vicki and you dad brought out in me to say that I am sorry does not seem enough. I will always remember them fondly and they will always be missed.--jdox

“ I am so sorry to hear of Vicki's passing. We were the 20 something kids living in South Portland and working at Maine Savings Bank. Vicki loved her celtic music and driving her little yellow car. She introduced me to dog showing that is still a passion for me today some 30 years later. You have left with many good memories my friend. You will be missed.
