“ Dear Bart, I was your "Aunt Jackie" first and then many, many years later became your "step-mother".....the "mean, wicked step-mother".....remember? I remember you as a child who always had a smile for me and then into adulthood you still had a smile. Over the years we would have our little "tiffs" and not speak or e-mail but after a while things would smooth over and all was right again. I always (always) loved and enjoyed all your craziness and embellished stories....I enjoyed bantering back and forth with you....I always enjoyed fixing you up with any leftovers we might have had in the frig....duck taping that laptop round and round on you (duck tape everywhere) because you were riding your motorcycle....you looked hilarious and hoped you would not get stopped by the police cause of the way it looked. You were always in a good mood when you came around and ready to have fun! I could go on and on but we'll leave it as is. I loved you as a child and I will always love you and have many, many wonderful memories to cherish.

“ Please accept our sincere condolences for the loss of your loved one. Psalms 34:18 tells us that the God of all comfort is "close to the brokenhearted" and Isaiah 25:8 promises that "He will swallow up death forever, and the Sovereign Lord Jehovah will wipe away the tears from all faces." It is our hope that the power if God's Word will help to ease your sorrow in the days ahead as you cherish your most treasured memories.

“ The last time I was in Ocala we got to hang out and drink a few beers and chat while sitting around a fire in your dad's side yard and I'm grateful for that memory cousin. I'll never forget the time I almost destroyed your Corvette when you made the well-intentioned mistake of letting me drive it while I was still only 16. And your stories! Goodbye Bart.
