“ Dear Dad,I think you about you every day. I cannot believe I will no longer hear your voice. In a way, this seems like a dream.I will miss your sense of humor and your goofy text messages.(Especially Maria). I am glad we stayed close even though you you lived so very far away.But..I do find comfort in knowing that God is taking care of you for now and eternity.We love you,Valerie, Marc, Joe, Anthony, Michael, Anna, Emily, Max and Maria

“ Dad,I'm having a hard time coming to grips that you are no longer with us. I wish I could have been there for you during your final moments with us. Nick and Dom miss you very much and were really looking forward to going fishing with you again. Even though you were many miles away, I glad we spoke just about every week. Thank you for my sense of humor. Anytime someone tells me they think I'm funny, I let them know where it came from. Lucinda, Nick and Dom send their love. We miss you.
