“ *Viola,this is for you.I never got the chance to tell you how sorry I was for that last time we saw each other.I knew your feelings after that bc my sister saw u somewhere and told me u wanted to see us,and I wanted to see you.I cried so hard when I found out what happened to you bc I saw the picture in the paper and seen u with your three beautiful girls.I am so sorry,I lost my best friend tanya one year later after you died,so I know what your family is going through.I know u have to be reading this and so I just wanted to tell you that I loved you and I am sorry girl.I pray that we will be able to see each other again at those gates in heaven!!!! May God bless and comfort your family.....I am happy to have known you =)*
