“ *Karen, Gayle, Bob, Bill, and all of your entire families, We want to send our love and sympathy to each one of you. We are so sorry and sad to hear of your great loss. Aunt Vi was a wonderful Mom, Grammy, Great grandma, Aunt and wore many other hats but Ray and I will always have the sweetest memories of happy times spent with Aunt Vi and Uncle Roland. What a special and wonderful couple they really were. It was the highlight of our summers when they would stop by here in Maine and have a nice visit with us and maybe a meal...we just always loved spending this "quality" time with them. Now, they are together at last and that is a good thing. May God bless each one of you in a special way as you all have many fond memories of each one of these precious people. We will miss them so much and we miss you all too. We want you to know that we will be thinking of you and praying for you in the days to come. We love you just as we did them and want all good things for you. Love with prayers, Ray and "Andy" Leonard (Dexter, ME.)*
