“ *Do not stand at my grave and weep; I am not there. I do not sleep. I am a thousand winds that blow; I am the diamond glints on snow; I am the sunlight on ripened grain; I am the gentle autumn's rain. When you awaken in the morning's hush, I am the swift uplifting rush, of quiet birds in circled flight. I am the soft star that shines at night. Do not stand at my grave and cry. I am not there; I did not die.*

“ *A LETTER FROM HEAVEN Me dearest family and friends, some things I'd like to say, But first of all to let you know that I arrived okay, I'm writing this from Heaven where I dwell with God above Where there are no more tears or sadness, there is just eternal love Please do not be unhappy just because I'm out of sight, Remember that I'm with you every morning , noon and night. That day I had to leave you, when my life on Earth was through, God picked me up and hugged me, and he said, "I welcome you." When you think of my life on Earth, and all those loving years, Because you're only human, they are bound to bring tears. But do not be afraid to cry, it does relieve the pain, But remember there would be no flowers, unless there was some rain. I wish that I could tell you of all that God has planned, But if I were to tell you, you wouldn't understand. But one thing is for certain, though my Life on Earth is over, I am closer to you now than I ever was before. When you are walking down the street and you've got me on your mind, I'm walking in your footsteps, only half a step behind. And when you feel the gentle breeze of the wind upon your face, That's me giving you a great big hug, or just a soft embrace. And when it's time for you to go, from that body to be free, Remember you're not going, you're coming here to me.*

“ *I may not have a lot of memories, but the ones I do have have stuck with me always. You taught me that no matter how old I get, I can always look and feel beautiful! Always primped and pampered, you were so very beautiful even in your later years! You are such an inspiration to me. Do me a favor, watch down on my kiddos. They are incredible!!! And they would have been so blessed to have met you!! Sending hugs up to heaven! Love you*

“ You have been a wonderful loving grandmother not only to me but to my wife Teresa as well. You were the only grandmother she had ever known. We will miss you on our visits to Florida, but always know you will never be forgotten. You were a very special lady with lots of love to share. I never knew a day when you were not at your best. Your hair was always done, your nails and make-up were always perfect and your smile always proved that you were beautiful inside and out. Thank you for teaching me that death is not ugly because your beauty shined through to the very end. Until we meet again in heaven, we love you and we will miss you. Mike & Teresa

“ Good bye G.G.- we are so happy your spirit has been freed to join Gramps again. You now have him to finish those 2 for 1 scotches for you. We loved our talks and getting to learn so much from each other over the years. I will truly miss hearing your cheerful " Oh my's..." Enjoy your next journey and we hope to meet you again in the future whether it be in the beauty of a tree or the sun on our face or the wind on our cheeks. All our love always...
