December 31, 1969 - September 29, 2015

Obituary of Vivian Word Vivian G. (Gehrke) Word was originally born in Iowa, although she was a "lifelong" resident of Florida, including Miami-Dade County and most recently Ocala, FL. She enjoyed gardening, playing piano, singing & creating her own stationary to keep in touch with friends and family. She was active for many years as a volunteer with women's circles at her church and helped at numerous volunteer functions for those in need. A gathering of family and friend will take place at First Congregational UCC at a later date. As a true legacy, in lieu of flowers or cards, the family lovingly suggests a donation of any size as a memorial in Vivian's name to: Hospice of Marion County, Legacy House - Portico Project, PO BOX 4860, Ocala, FL 34478-4860
