“ Daddy it's 2:48am and birds are singing for over an hour. Looked up and said " don't worry Dad we will be at her side every step of the way". Dad the birds went silent as if they (you) needed to be assured. Was amazing. My flowers are blooming with more blooms than ever before. Thank you for the years of devoted love,teaching,guidance and being my hero. God's needs are those we don't understand yet why it's time for you to be with him however one day we will. Goodnight Dad. Love you forever

“ Uncle Wayne was one of a kind and so is his wife Bug. They both have always been there for me. I was the first grand child and the first to go to Viet Nam and the first to cause many gray hairs. Uncle Wayne was always there to guide me when I fell short. He will truly be missed but he has been a blessing to many. God speed until we meet again. Corky
