“Walter island with one of the nicest people I know he was good-hearted giving understanding and caring I always wanted this best friends and he left me in control of being landlord when he died I was still in control for another 6 months because there's contract last year and everyone stop paying rent after he died including the old man Don which is the reason why water can die at home he was pressing charges against him don't weren't even true God bless water and his family may he rest in peace I have suffered because of these people in his house taking advantage of his home of the only one paying bills I couldn't do it anymore I got in trouble for almost attacking one of the tenants there for not paying bills I lost everything I own because of it and my child my dog which is my dog my animals are my kids I love them just as I really could my own kids I'm unable to get home because I have to stay away and now I guess one of the family members has taken over and my dog is still there if Walter were here he would never be putting me through all this time I'm asking you if you are a family member can you please help me to get my dog back I'm the only one that was there for water I find it in my job for \$800 I sent him money every week I paid for his phone calls and I paid the electric bill the whole time I was there I couldn't afford to pay the house bill because no one else in the house was giving me money there was four people free loading on me and that was the hardest time in my life but I do it for Walter please tell me what to do I've lost everything I own because of this is not fair and I also lost my love of my life my dog sky
