“ Don ~ We love you very much and are praying that God will comfort you. I know in my heart that He will.....He said he would send another Comforter and He has always done so for me in times of sorrow and need. Every time I looked into Aunt June's eyes, I would see my own mother (her sister, of course -- Lucille). They are back together again now and I'm sure they are just giggling away! They're both happy and free of any pain.... Love You & May God Bless.

“ Not only was she my sister, she was my best friend. We would talk for hours several times a week. I feel I lost my only family member who really cared about me because she would always have time for me when no one else would. I am so sorry for your loss I know how it is to lose someone you are close to. Heaven just got a sweeter angel. May God comfort u in these troubled times and may u keep God in your hearts so u can be with her when the time comes. Love always, Anne
