“ Words can not express how we will miss your smile, sense of humor, and fatherly love. There will forever be a void in our hearts until we see you again. Your work ethic, your bravery, your compassion for others make me so proud to call you my dad.

“ When someone we love dies, it leaves a hole in our hearts. This sorrow was felt by Jesus, Mary and Martha when Lazarus their brother died. Jesus said to Martha: "I am the resurrection and the life, the one who exercises faith in me even though he dies, will come to life. Did I not tell you that if you would believe you would see the glory of God?" Then he proceeded to resurrect Lazarus and he promises to resurrect all those in the memorial tombs. Please read John 5:28, 29 in your Bible and may this hope bring your family comfort.

“ To the family of Frank Jones, I can not imagine the pain you must be going through. I know that it is not easy losing someone you love, someone dear to you. But what encourage us all is that death will be no more. The creator of every living thing and the entire universe ,Jehovah God, will wipe out death forever. Revelation 21:3,4. That something that we can all look forward to
