“ My fondest memories of you, Wayne, of course involved paintball. You and Willie would come faithfully, bringing lunch and cheering your family on. One time you joined us in a game, and Gary said you really played well I asked you how you liked it, and you looked at me with your hair all disheveled and eyes wide and softly said, "I liked it." In your quiet way, I knew this meant you had the time of your life! You were such a wonderful example of a Godly man, and I always felt such a peace just being around you. We will all miss you so very much!

“ *Waynes family,
I sure loved your Daddy. He was a man of very few words but when he spoke I listened. My greatest memory will always be the cruise we went on with yall for Wayne and Willie's 50th wedding anniversary. I sure enjoyed the 1on 1 time with you all. Pushing Wayne around the islands and the game show I cooned him into playing on the cruise ship. The newly weds. I still can't believe it when he bumped Willie on the leg and said come on. Then they won and so many people on the ship was treating them like celebrities 😊 Wayne would just smile. He had such a good time. Sending prayers of comfort to you all. He will be so missed by all. Sending special prayers to my Willie my heart breaks for her. Love to you all,

“ *Mr Wayne what a wonderful man you have always been. You raised the best kids and grandkids anyone could ask for. You and Willie were so strong in your faith and family and that's what your legacy is. Willie, Terri, Jerri, Wayne and all the grandkids we are all so sad for you. He taught you things that will be with you all your life. Until we meet in Heaven my friend!*

I remember the first time I met Wayne. It was at the bowling alley. We was there cheering on the team. We became good friends that day and every time we speak he always told me I love you Melvina. I would always love Wayne. He was a sweet and loving man.
