“ *David & Family, my sincere condolences to you & your family. Thank you for sharing some of your memories. Beautiful Memorial to your dad & family. Adjusting is sometimes very hard to do. Especially for the spouse. 6 years for me & it is still hard at times. Your mom is blessed to have such a great support group. Praying for you & family. Sincerely, Cindy Pressley*

“ *Actions speak louder than words. Attended church with Wayne for several years. There we're many gifted men who spoke shared and preached eloquently their views over the years to the congregation . Wayne didn't do that he spoke through his gentle loving actions and example. He made the biggest impact to myself .and many others.*

“ A man of God, Family and Country is the best way I could describe Wayne! Always made me feel like part of the family just as Connie has too. They both are blessings in my life. His legacy will live on in so many of us who grew up in Ocala. Love that man! God took him home and now he is whole again. I have the assurance that I will see him again when God calls me home too! Can't wait! 😊❤️❤️❤�
