“ Avis, Kelly and Greg, I am never very good at saying the right things but I know that Bill is in a better place and pain free - that lifts my spirits! I will always be grateful that Bill accepted me, his sister-in-law, through ups and downs and offered to bring me along with you to Florida. My thoughts and prayers will continue to be with you.  
Much love, Rose

“ It's been 3 weeks since you've left us. I can only imagine how beautiful it is in heaven. While I wish so badly you were here just to call you and say hi and ask you what I did to screw up my stew or how to make beef stroganoff, while I wish I could ask Mommom how you are doing and if your lab work was doing ok today I'm thankful to know that your lab work is perfect, you're doing the best you ever have and I'm pretty sure you were laughing as I tasted my horrible stew and made a face! I love you and miss you so much Papa. I know you're watching over us, and I can say I have the best guardian angel around! Now, go BS with Uncle Amil, tell Grandma Irene I said hi and make sure you hold down the fort until I can be there to see you and hug you!

“ My grandpa had such a beautiful soul. Although very stubborn, he was such a wonderful man. I am so grateful for everything he taught me. All the jokes I get to pass on to my son, the history, some of my favorite recipes, etc. I am so proud to carry on his name and to be apart of this family. His faith in God was so gentle yet so big. His determination to pull through everything he has gone through the last few years was astonishing. Papa, I Love You. I will forever carry you in my heart. I bet heavens beautiful young man and im sure your a beautiful angel. I Love You So Much!

“ My condolences to Bill's family and friends. I knew Bill only through work at Silver Springs but we both came in at the same time and I always enjoyed working and chatting with him I also enjoyed the concerts we attended when he was playing I did not know him long but he made an impression on me and we corresponded quite regularly via email for long after he left the Springs. I was not aware of his illness. R.I.P. Bill

“ Dear Avis and family I will miss my old friend from East Jordan and my roommate at Muskegon Business College. We had great times together in both locations (sometimes a little too great) and I will always treasure those memories of my time with Bill. I also enjoyed, in later years, our emails back and forth and the BS we handed each other. We also shared late November birthdays and I had a great time telling him that he was much older than me. Good friends, good memories will last forever. Sue and I send our sincere condolences to you and your family. Love and Peace Charlie
