“ Bill and I were police officers together and he was a fine example for others as to how to deal with the citizens we served. He got me involved in horse racing as an owner and we had a blast while working off-duty to pay the horse bills. We never caught the lightning in the bottle we hoped would come our way, but we had a blast all the same. I am grateful that he was in my life. God bless Don and Bill and their families.

“ To the family, I am so sorry for your loss and my thoughts and prayers are with you. To my friend cauchi, thank you for allowing me to ride and win on one of my favorite fillies. I will miss chatting with you after her races or after her workouts. I was a very lucky person to have met you. I know that when ever she runs she will have an angel with her. May you rest in peace.
