“ Glad and privileged to have known Bill since 1978. We had some things in common: alumni of Baptist Bible College, love of southern gospel quartets, love of church music, both sang in choir under Mrs Jean dinoff, both have been through a second marriage, and the list goes on. I sang on a few of his services at restoration Baptist church, both shared a friendship with Roy bias! And now he is treading down a 1500 mile long wide street of transparent gold before I get to it. I.m a little jealous , Bill! Prayers for his family and looking forward to seeing my friend and brother again around God's eternal throne!!
