“ Bill we always had fun no matter what we were doing. You are going to be missed more than words can say, and by a lot of friends. I guess now I will have to find someone else to bring live care packages to. No one will ever threaten to put Dorcus and I in the trunk because we had a Monster Margeritta. What a fun evening that was. I will always think of you when I hear the name Thelma spoke. hug Mom and Dad for me. I will see you again someday my friend. Always in my heart. Love you, Sister in law Beth (aka Thelma)

“ *Dear Drexler family, I know you do not know me but I wanted to extend my condolences during this very difficult time. Revelation 21:4 says "He will wipe out every tear from their eyes and death will be no more. Neither will mourning nor outcry nor pain be anymore the former things have passed away." We can have confidence in all the Bible's promises.*
