“ Dear Kathy, Joanna & I are deeply saddened to hear of Bills passing. He was a truley wonderful co-worker, friend, and mentor. Working so many hours together allowed me to see what a great person he was, and he always was willing to help and teach. We had many funny times working the midnight shifts, and our coffee/smoke breaks together were great times. I'm sure he's running whatever group up there that he's in, and now making them laught too !
