“ I remember Mr. Harbert from when I was an awkward kid visiting from California, and now I live here in MD with my husband in the military at the Pentagon. Mr. Harbert was so understanding and really made me feel comfortable in what could have been otherwise. I'm so glad we knew you, Mr. Harbert, you always made my mom laugh and made me feel that you cared about us all. God bless you for all you've done for others. Barbara, Richard, Paul, Alex, Kevin, Tim, and Dennis Higdon
