

William J Kubiak

July 7, 1938 - November 25, 2025

In Loving Memory of William: A Life Lived Fearlessly

It is with profound sadness that we announce the passing of William J. Kubiak, a beloved husband, an active member of his community, and a truly unforgettable soul, who died peacefully on November 25, 2025, at the age of 87. William was a man full of life, whose boundless energy and kind nature touched everyone he met. He will be deeply missed by all who had the privilege of knowing him.

William's greatest adventure was his life, which he lived fearlessly and with remarkable generosity. He embraced every moment with enthusiasm, leaving a legacy of warmth, wisdom, and vibrant activity.

Following his honorable discharge from military service in the US Air Force, William took his love for the skies and turned it into a second career. He was a dedicated pilot for 20 years, finding unparalleled freedom and satisfaction in his passion for flying the skies. His spirit was nowhere more free than when he was either in the cockpit or on the water; he had an enduring love for sailing, a passion that also reflected his adventurous nature and his appreciation for the open sea.

Above all, William was devoted to his wife, Annette. Their loving marriage was the cornerstone of his life, a beautiful partnership characterized by mutual love and deep respect.

He was a man who inspired admiration not just for his zest for life, but also for his deep well of wisdom and his innate kind nature. William's energy was

infectious, encouraging those around him to live with the same spirit of adventure and open-heartedness.

William is survived by his loving wife, Annette, his brother, Jon, and his own children, Victor, Barry, Craig, and Josh, eight grandchildren, and five great-grandchildren.

A private memorial service will be held by the immediate family.
