“ *Services for Billy have been set in New York. There will be a wake on Sunday, April 19 and a Mass of Christian Burial on Monday, April 20 which would have been Billy's 55th birthday. I know the timing and travel will preclude many of you from making it to the services, but the family asks for your prayers during this difficult time. More information can be obtained from Charles J. O'Shea Funeral Home in Wantagh, NY or at webpage osheafuneral.com*

“ *I didn't want to believe it what I heard was true but now that I've read it for myself, I am forced to accept it. I have cherished memories of Billy going back 20 years. He was there for me literary every step of the way through the passing of my dad for which i am eternally grateful. And we had many much happier times together as well. I pray that he is resting in peace and for his family through their grief. He was a wonderful friend to me and will be forever in my heart.*

“ *I'll always remember his goofy faces while he was jumping into your pool when he was a kid and how he always brought a smile to my mother's face when he'd stop to talk or ask her if she wanted food when he was picking his up from the stores on Newbridge. I'm sure he's already making people smile up there :)*
