“ I truly enjoyed working many years with Bob. Everyone Bob met he tried to make them laugh with a joke and a smile. His laugh is one I will never forget! The world needs more people like Bob. My prayers are with his family that God's peace will heal their broken hearts. Until we all are reunited...

“ *Darryl and I both had the privilege to work with Bob at Lockheed Martin through the years. Bob was one of a kind and I remember him giving alot to his work family. He always talked about his wife and kids and when he did there was a smile on his face. Words are hard to come by when you lose a friend, our sorrow for his family weigh heavy on our hearts and we send our love and condolences to you all.*
