“ Dear Uncle Joe and cousins, I was saddened to hear of Aunt Wilma's passing. I will always remember her as having a "can do" attitude and smiling. Two of my fondest memories of her are being at your home in Plainfield when I was a little girl and having Yorkshire Pudding -which at the time I thought was something very, very fancy and must have meant I was special getting such a treat; the other special memory of Aunt Wilma is bringing me Colleens clothes she had grown out of, having a fashion show at Grandma's, and getting to keep the clothes. I really looked forward to that; Aunt Wilma was very kind to think of providing me with those clothes-she was kind to me in every way. I know how much you will miss her presence, and I hope all of your memories of Aunt Wilma sustain you through this diffult time. Our sympathy to you all. Love, Carolyn and family
