“ *I've loved you always granny! You surely will be missed. I have been thinking about all the childhood memories of your smile and hugs. Wish Katie could of known you more, but she knew that you were very special and that you were her granny too. Those we love don't go away, They walk beside us every day, Unseen, unheard, but always near, Still loved, still missed and very dear. Tell both of my moms hello for me and Great Granny Matchett. Will look forward to seeing you again one day on those streets of gold in Heaven. And now you are reunited with papa, together again.*

“ I will always love you, Granny! You and Aunt Melody were my "run to mommy's" when I had none. You prayed for me even though (at the time) I had given up on God. You believed in me when I didn't even believe in myself. With all the mistakes I made, you never judged me; instead you advised me how to make it right. You have always been more than a blessing here on earth and now you are a blessing in Heaven! Give dad and grandpa a hug for me and hold and kiss my little baby girl, Priscilla and tell her momma will see her again on day! We love you so much Granny!

“ Grandma, We will all miss you dearly, although we know you are now at a better place. We won't forget the inspiration you always gave us to live simply, honestly and generously. You led by example. You cared for Cyndi and me when we were young, sacrificing your time and self for us, like you did for so many who needed help and love. You will make heaven a better place and your lessons will continue making us better people here on earth. We love you forever, Paul, Nathalie, Alex and Spencer
