“ I'm at lost of words now..time has past and mommy is lost at word. I put on a smile and face the world cause I know that's what you would want me to do. Missing you isn't getting easier. Living without you is getting harder. Can't believe you would be 4 years old this year. Time has gone by so quickly. I can't help but wonder how different life would be if you didn't have to go... You was such an amazing baby boy you would be even more amazing now. I'm so happy that you was with me all the time. That I got as many first moments that I did. You was truly loved by many but no one ever nor will ever love you the way I do. I can not wait to be with you Munchkin. Keep flying high munchkin ! Mommy and your siblings love and miss you.

“Xavier, You are greatly missed. Your smile brought so much love and joy. Your laughter was the most beautiful sound heard. There's not a day that goes by that we don't think of you. You are always in our thoughts, our dreams, everything. We wonder what you would look like. How you would sound. What things you would like and be interested in. Birthdays have come and angel days have passed, we still celebrate you and your memories. We love you and miss you so much baby boy! Your flying high with grandparents with your beautiful wings. Daddy and your brothers protector! Guardian angel. Love you baby boy. Passed on but not ever forgotten!

“ I miss you soo much munchkin. I reallt wish you with here with mommy. There still isnt a day that goes by that I dont wish the night you was taken from me that I didnt just wake you up to give you your bottle. Cause I know deep down that if I would have that it could have saved your life. I feel as if I failed you by being your mom. I know I treated you amazingly and took care of you the best I could but when you truly neededeme I wasnt there. You shouldn't have left this world. You was way to amazing lil boy to be taken as soon as you was. Ill never understand why I was blessed with such an amazing loving beautiful baby boy like you just to spend 3 months and 3 days with you and then be taken away from me. I did everything right. I was the best mom I could be for you. I didnt deserve this. I wabt my beautiful munchkin back in my arms. I love nd miss you more than anything in this life or the next ! Fly high baby. “ My memories for Xavier; I was the first person you would let feel you kick (besides mommy) Everytime I'd come over you would have a ginormous smile just waiting The first time I saw you, you just looked at me with those big,blue, beautiful eyes and then you would rap your hand around my finger and squeeze like you didnt want to let go. I miss you so much you were always thought of like a brother to me. I love you
